Good Day Colleagues and Constituents:

On October 26th, 27th, and 28th of this year, the Division of Nursing at Dominican College in Orangeburg, New York, will be hosting a site visit from the Commission on Collegiate Nursing Education (CCNE). CCNE is a nationally recognized accrediting agency for baccalaureate and graduate degree programs in nursing education.

The site visit is for reaccreditation of our baccalaureate programs. CCNE policy mandates that the College provide an opportunity for colleagues, constituents, and the community of interest to submit written input into the deliberations of the visiting evaluation team.

You are invited to participate in this process, along with students, alumni, faculty and employees. When providing written documentation, please include your name, address, telephone number, and email address. Your comments will be accepted by the evaluating team until October 12, 2020. All input is shared with the team, but not with the hosting program.

Please submit your comments to:

Commission on Collegiate Nursing Education
Attn: Third Party Comments
655 K Street NW
Suite 750
Washington, DC 20001

Thank you for your participation in this important process.
