Family Nurse Practitioner (FNP)

MS in Nursing

FAMILY NURSE PRACTITIONER (FNP)

Your BS in Nursing has you on a great track in today's hottest field. Now take your medical career to the next level as an advanced practice nurse. The role of a Family Nurse Practitioner is challenging and rewarding, and puts you in a key role to meet the growing demand for quality care health in America.

Highlights

- ▶ All our faculty are currently working as advanced practice nurses, so you'll be learning from people who really understand what you need to know to succeed in your career.
- ▶ Our FNP degree is CCNE-accredited and upon completion, you'll be qualified to sit for ANCC or AANP certification.
- ▶ Emphasis is placed on integration of practice and theory across diverse settings where primary care is delivered.

Key Program Details

- ▶ 42 credits
- ▶ Weekend evening format (Monday/Wednesday)
- ▶ 2 years to complete
- ▶ Some courses are offered as hybrids of classroom and online studies

Admission Information

REQUIREMENTS

- ▶ Bachelors of Nursing (BSN) degree required from an accredited institution.
- ▶ A state-issued RN license.
- ▶ Minimum 3.0 cumulative GPA in undergraduate work and 3.5 for graduate work.
- ▶ Official transcripts from all institutions attended.
- ▶ Undergraduate Statistics course.
- ▶ A Curriculum Vitae.
- ▶ Three (3) letters of recommendation from former/current work supervisors. At least one must be from a professional colleague who holds a doctoral degree. Letters must be written on official letterhead and signed.
- ▶ A personal essay (1 – 2 pages) that describes your career objectives and your specific areas of clinical interest.
- ▶ An interview with the Program Coordinator.

“

After completing the FNP program at Dominican University New York, I was offered my dream job!

I'm confident that the excellent education and mentoring I received at DUNY have given me the knowledge and skills I need to build a successful career. The program's emphasis on modern research and evidence-based practice has also equipped me with the ability to continue my education for a lifetime.
